

perfect advertising

for every design & advertising service you could possibly need... from one person at freelance rates with a proven track record

kenny bolton

freelance advertising graphic designer

I'm an independent creative with a long track record of success. I have worked for over 25 years for some of the UK's leading London 'blue-chip' advertising agencies.

Based in Hastings, East Sussex, I am offering my 'freelance' graphic design, production and website services at affordable rates to businesses who are serious about the advertising that they produce.

"I will only offer sound strategic advice backed by strong creative thinking. I take the time to understand your product and discover how your target market needs to see it presented. No account or job is too big or too small for me, its all about establishing a solid relationship with my clients based on trust and success."

Land Advantage
Specialists in Capitalising on Land Potential

No Win - No Fee Service

For landowners just seeking planning permission, with **NO FINANCIAL RISK**, whatever we offer a comprehensive No Win - No Fee Service. This includes the whole process of application from start to finish, taking into account all architectural, conveyance and any other application requirements, when we agree to conduct your project on **No Win - No Fee** terms, it is utterly at our risk and expense.

A specific fee is only payable when we win planning permission. At this stage, the value of your land will have increased so considerably that our fee will be deemed as comparatively insignificant. You are committed to nothing, other than allowing us to undertake a free-of-charge assessment, and you enter into a contract with us.

If it is possible to win your planning permission, we are absolutely certain that we will win it for you.

Contact us now for more details.
